List any sport that you partake in. Employers are interested in any physical activity that you do e.g. Tennis, Squash etc

Describe yourself briefly:

Tell your potential employer a bit about yourself. Your likes and dislikes, family, the places you have lived at. Do you do any charity work etc. This a get to know you space. You may put in upto 1000 characters including spaces.

Any other information you would like to give:

List anything else that you feel may be of interest to any potential employer. You may fill in upto 1000 characters including spaces.

red are Mandatory fields

# EDUCATION PAGE

Years of formal schooling:

How many years of formal schooling did you have.  
In most countries it varies between 10 and 13 years.

Apprenticeship / Trade 1 (specify):

List any Apprenticeship or Trade that you have completed. Examples of Apprenticeships or Trades may include Electricians, Plumbers, Boilermakers etc. Please list only one here.

Apprenticeship / Trade 2 (specify):

List any Apprenticeship or Trade that you have completed. Examples of Apprenticeships or Trades may include Electricians, Plumbers, Boilermakers etc. Please list only one here.

Apprenticeship / Trade other (specify):

List any Apprenticeship or Trade that you have completed. Examples of Apprenticeships or Trades may include Electricians, Plumbers, Boilermakers etc.

College Level Completed 1 (specify):

List the highest qualification that you have received at College. The name of this may vary from country to country.

College field 1 (specify):

List the college field that you have studied.  
e.g. Electrical Engineering, Computer Science etc.

College Level Completed 2 (specify):

List the highest qualification that you have received at College. The name of this may vary from country to country.

College field 2 (specify):

List the college field that you have studied.  
e.g. Electrical Engineering, Computer Science etc.

College Level Completed 3 (specify):

List the highest qualification that you have received at College. The name of this may vary from country to country.

College field 3 (specify):

List the college field that you have studied.  
e.g. Electrical Engineering, Computer Science etc.

University Level Completed 1 (specify):	<input type="text"/>
 List your highest qualification that you have received at university level. e.g. Doctorate, masters degree etc.	
University field 1 (specify):	<input type="text"/>
 List the field that you studied in at university. e.g. Medicine, Geology, Mechanical engineering etc.	

University Level Completed 2 (specify):	<input type="text"/>
 List your highest qualification that you have received at university level. e.g. Doctorate, masters degree etc.	
University field 2 (specify):	<input type="text"/>
 List the field that you studied in at university. e.g. Medicine, Geology, Mechanical engineering etc.	

University Level Completed 3 (specify):	<input type="text"/>
 List your highest qualification that you have received at university level. e.g. Doctorate, masters degree etc.	
University field 3 (specify):	<input type="text"/>
 List the field that you studied in at university. e.g. Medicine, Geology, Mechanical engineering etc.	

University Level Completed 4 (specify):	<input type="text"/>
 List your highest qualification that you have received at university level. e.g. Doctorate, masters degree etc.	
University field 4 (specify):	<input type="text"/>
 List the field that you studied in at university. e.g. Medicine, Geology, Mechanical engineering etc.	

Other organized program of study:	<input type="text"/>
 List any other organized program of study. e.g. Network+ Certification etc.

# EXPERIENCE PAGE

Total years of experience:

List your total years of working experience. This is all the years that you have worked.

Employment Category 1:

Select the broad Employment Category that you have experience in. On this page you may list up to five different Employment Categories. The reason there are more than one is that people often have a complete career change in their lives and pick up experience in a number of different areas. However, if you are only interested in one particular type of job, then list only the Employment Category you are interested in.

Details of position held 1:

What position did you hold in the Employment Category that you listed in the previous field. e.g. If you had selected "Culinary" maybe the position you held was the "Chief Cook" at a restaurant or hotel or if you had selected "Accounting" possibly the position you held was a "Bookkeeper" at a company.

Describe experience in Category 1:

Describe your experience in the above Employment Category. e.g. If you had qualified as a "Cook", you may put in something like this : After graduating from cooking school I managed to get employment at a Thai restaurant where I specialized in Thai cooking for 6 years. I then got employment at a hotel as "Chief Cook" where I have been for the last 5 years. I supervise a staff of four other cooks etc. You may insert up to 5000 characters here.

Years of experience 1:

List the years of experience that you have had in the Employment Category that you chose above.

Months of experience 1:

List the months of experience that you have had in the Employment Category that you chose above. You might want to select the months of experience if you have not been working in this particular Employment Category for long.

Hours of experience 1:

No, this is not a trick question! Consider for instance if you are a pilot. Pilots list their flying experience not in years or months, but in "Hours of flying time".

Employment Category 2:

Select the broad Employment Category that you have experience in. On this page you may list upto five different Employment Categories. The reason there are more than one is that people often have a complete career change in their lives and pick up experience in a number of different areas. However, if you are only interested in one particular type of job, then list only the Employment Category you are interested in.

Details of position held 2:

What position did you hold in the Employment Category that you listed in the previous field. e.g. If you had selected "Culinary" maybe the position you held was the "Chief Cook" at a restaurant or hotel or if you had selected "Accounting" possibly the position you held was a "Bookkeeper" at a company.

Describe experience in Category 2:

Describe your experience in the above Employment Category. e.g. If you had qualified as a "Cook", you may put in something like this : After graduating from cooking school I managed to get employment at a Thai restaurant where I specialized in Thai cooking for 6 years. I then got employment at a hotel as "Chief Cook" where I have been for the last 5 years. I supervise a staff of four other cooks etc. You may insert upto 5000 characters here.

Years of experience 2:

List the years of experience that you have had in the Employment Category that you chose above.

Months of experience 2:

List the months of experience that you have had in the Employment Category that you chose above. You might want to select the months of experience if you have not been working in this particular Employment Category for long.

Hours of experience 2:

No, this is not a trick question! Consider for instance if you are a pilot. Pilots list their flying experience not in years or months, but in "Hours of flying time".

Employment Category 3:

Select the broad Employment Category that you have experience in. On this page you may list upto five different Employment Categories. The reason there are more than one is that people often have a complete career change in their lives and pick up experience in a number of different areas. However, if you are only interested in one particular type of job, then list only the Employment Category you are interested in.

Hours of experience 3:

No, this is not a trick question! Consider for instance if you are a pilot. Pilots list their flying experience not in years or months, but in "Hours of flying time".

Employment Category 4:

Select the broad Employment Category that you have experience in. On this page you may list upto five different Employment Categories. The reason there are more than one is that people often have a complete career change in their lives and pick up experience in a number of different areas. However, if you are only interested in one particular type of job, then list only the Employment Category you are interested in.

Details of position held 4:

What position did you hold in the Employment Category that you listed in the previous field. e.g. If you had selected "Culinary" maybe the position you held was the "Chief Cook" at a restaurant or hotel or if you had selected "Accounting" possibly the position you held was a "Bookkeeper" at a company.

Describe experience in Category 4:

Describe your experience in the above Employment Category. e.g. If you had qualified as a "Cook", you may put in something like this : After graduating from cooking school I managed to get employment at a Thai restaurant where I specialized in Thai cooking for 6 years. I then got employment at a hotel as "Chief Cook" where I have been for the last 5 years. I supervise a staff of four other cooks etc. You may insert upto 5000 characters here.

Years of experience 4:

List the years of experience that you have had in the Employment Category that you chose above.

Months of experience 4:

List the months of experience that you have had in the Employment Category that you chose above. You might want to select the months of experience if you have not been working in this particular Employment Category for long.

Hours of experience 4:

No, this is not a trick question! Consider for instance if you are a pilot. Pilots list their flying experience not in years or months, but in "Hours of flying time".

Employment Category 5:

v

Select the broad Employment Category that you have experience in. On this page you may list upto five different Employment Categories. The reason there are more than one is that people often have a complete career change in their lives and pick up experience in a number of different areas. However, if you are only interested in one particular type of job, then list only the Employment Category you are interested in.

Details of position held 5:

What position did you hold in the Employment Category that you listed in the previous field. e.g. If you had selected "Culinary" maybe the position you held was the "Chief Cook" at a restaurant or hotel or if you had selected "Accounting" possibly the position you held was a "Bookkeeper" at a company.

Describe experience in Category 5:

Describe your experience in the above Employment Category. e.g. If you had qualified as a "Cook", you may put in something like this : After graduating from cooking school I managed to get employment at a Thai restaurant where I specialized in Thai cooking for 6 years. I then got employment at a hotel as "Chief Cook" where I have been for the last 5 years. I supervise a staff of four other cooks etc. You may insert upto 5000 characters here.

Years of experience 5:

 v

List the years of experience that you have had in the Employment Category that you chose above.

Months of experience 5:

 v

List the months of experience that you have had in the Employment Category that you chose above. You might want to select the months of experience if you have not been working in this particular Employment Category for long.

Hours of experience 5:

 v

No, this is not a trick question! Consider for instance if you are a pilot. Pilots list their flying experience not in years or months, but in "Hours of flying time".

Previous Companies / Institutions employed at:

List any previous companies or institutions that you have been employed at.

Current Company / Institution employed at:

List the current company or institution that you are employed at.

List any internal courses done:

List any company or institutional internal courses done. Many larger companies have internal training facilities where employees receive specialized training, or these companies send their employees to outside training centers to receive specialized training. These are the types of training courses that you may list here.

Currently Employed:

Are you Currently Employed? Potential employers are interested in your current employment status.

If not, Please supply details:

If you are currently unemployed, please supply some details as to the reasons why.

Self employed:

Are you currently Self employed. In other words do you work for yourself. Do you maybe have your own business. If Yes, then you are Self employed.

Most recent job title:

List your most recent job title here. e.g. Chief cook, Systems engineer, Bookkeeper, Co-pilot etc.

Most recent annual Wage / Salary in US\$:

(Please convert to approximate US\$ value)

List your most recent annual Wage or Salary in US\$. Why in \$US? The United States Dollar is the most recognized and used currency in the world today and as such everyone knows its value. It is therefore necessary to convert your last annual Wage or Salary into US\$ in order to give any potential employer an idea of what you were last earning. List the maximum Wage or Salary that you last received. e.g. If received \$19300 annually, select \$20000.

Maximum number of employees managed:

List the maximum number of people that you have managed. Employers are very interested in this as this indicates your level of experience in managing people.

Any other information you would like to provide:

List any other information you would like to provide. You may insert upto 5000 characters here when you provide additional information.
